

## OLYMPIC MEDAL

**Materials Needed:** Crayons,  
Medal (can be purchased on  
Amazon)

Celebrate the 2024 Summer Olympics by creating your very own personalized Olympic Medal! Root for your favorite Olympic athlete or use your own creativity to make a unique design.

### Instructions:

1. Remove the plastic card cover.

Tip to remove: To keep the medal from falling off, the card cover is designed to be tight. When opening the cover, you can put the plastic card cover face down on a table, then tap the medal several times to pop the cover off.

2. Draw your design on the paper card.

3. Then, place the paper card back in the plastic medal and put the plastic card cover back on.

4. All done! You can now wear your personally designed medal.
